addressed the readers of The GA. this is about the sum total of pontage and the readers, but he is not dead yet, and, if nothing serious should happen to him, he hopes to send a regular weekly contribution to the good old paper during the year 1884. Of paper during the year of our Lord during their spare minutes.

The Captain had a kine what he during their spare minutes.

As a matter of course, to such during their spare minutes.

The Captain had said what he would during their spare minutes.

The Captain had said what he would during their spare minutes.

The Captain had said what he would during their spare minutes.

The Captain had said what he would during their spare minutes.

The Captain had said what he would during their spare minutes.

The Captain had said what he would during their spare minutes.

The Captain had said what he would during their spare minutes.

The Captain had said what he would during thei

The marble quarries of Hawkins miraculous country. We are wait parents with a shock like death, country are not working many hands ing his coming. CHAS. SIMON & SONS, to work with renewed energy the rough weather breaks.

Must recessor. It was a minnie ball which a few hours before being exhibited to us had been cut from between the ribs of Daniel Mann, who was a private soldier in Capt. Kyle Blevins's company of Confederate soldiers engaged in that fierce battle. Daniel has carried that bullet in his body nineteen years. He was lead them to gloomy and hateful to you. You will help me set this thing right."

He too, asked for God's help, but he kissed his children before he did it. That very day some of his hardly earned savings were taken to hire a piano, on which Mary was to take lessons. Joe was given some in his body nineteen years. He was lead them to glovious victories in the ging for two years, to have a gun struck on top of the shoulder. The in the past. ball ranged down, breaking the col lar bone as it entered, and lodged The little old town of Rogersville which the young people of their

way it it is almost a certainty that the Rogersville and Jefferson road very shortly will be extended from Rogersville, passing through the inexhaustible coal beds of Virginia and Kentucky on to the Ohio river—thus opening up to the commerce of the world a region of country which has heretofore been a veritable terra incognita to those living along the great tracks of commerce. From the time the road leaves Rogersville until it strikes the Ohio river it will pass marble veins, iron banks, lead mines, coal beds, salt wells and the finest walnut, ash, cak, hickory, locust, maple and chestnut.

Every farmer has felt it, and has gathered new energy with which to push which to push his business, to raise larger crops and better crops. The consequence of which is, the people have been more contented and happier can have defined as to the red in the price of the world a region of country which has heretofore been a veritable terra incognita to those living along the great tracks of commerce. From the time the road leaves Rogers and better crops. The consequence of which is, the people have been more contented and happier can be the road term usual. We hear less complaint of hard times, we see fewer idle men and hoys than formerly, and cheerfullness seems to reign supreme from one end of our favored East Tennessee to the other. The truth it strikes the Ohio river it will pass marble veins, iron the present, the whole face of East Tennessee will have changed. Furnaces, factories, mills, workshops and quarries will then the sisters married to escape from it.

They are a hard, defiant, They are a hard, defiant, vindic tive race, and if they have abstained for the reduce of the consequence of which is, the people have consequence of the program in the program is a people from it.

They are a hard, defiant, They are a hard anderstand, are well on foot to pro-cure the needed capital for the con-struction. The prospect of building this great theroughfare is brighter instruction that the con-struction is the con-struction of the great valley; population will increase by thousands and the aggregate wealth of East Tennesses will be too great to estimate. just now than that of aby other pro-
